*There are
12,000 children
waiting for a

child care space
in Manitoba*

Come hear what provincial candidates have to say about the future of early learning and child care in Manitoba. Candidates will each make a brief presentation, and then respond to questions from the audience. Moderated by Richard Cloutier, News Director, CJOB Radio.

The Manitoba Child Care Association does not endorse the position of any political party, elected official, or candidate for public office.

Tell your provincial election candidate:

*Young families can't work
without quality child care.*

*Parents need child care
to be affordable.*

*Child care needs early
childhood educators to work.*

Keep not for profit services!

*Manitoba needs a long term plan
to expand and enhance early
learning and child care services.*

***NO cuts to early learning
and child care!***

Ask your provincial election candidate:

*How long will it take
your party to end
child care wait times
in Manitoba?*

*Will your party provide market
competitive compensation to the
child care workforce within one
year of forming government?*

*How will your party
strengthen child care
infrastructure, governance,
and administration?*

*Will your party work with the
federal government on a
National Early Learning and
Child Care Framework?*

*Will your candidate say yes to –
affordable parent fees?
Improve fee subsidy?
Continue operating grants?*
