

Discovery Children's Centre

Flex Program

Overview

Welcome to Flex

The Flex Program is a multi-age setting, with children ranging in age between 2-12 years old. Our play experiences are based on the children's particular needs, interests, or development levels. We often design our program with specific skills or tasks in mind, helping the children to have the opportunity to learn at their own pace. In our profession this is called, "Emergent Curriculum".

Acknowledging the developmental needs of the children, some of the general goals and objectives we have are:

- Encouraging independence in the children to make choices for themselves, when choices are available, in a safe environment.
- Enhancing children's development in the three main areas-cognitive growth, social/emotional growth, and physical growth.
- Providing developmentally stimulating play experiences.
- Allowing children to explore a wide array of natural and interesting materials to provoke curiosity so they may have a better understanding of the world around them.

Virtues

Discovery staff have been trained in the Virtues Project. We incorporate these virtues in our language with children. Staff can provide more information on the Virtues Project if you are interested. Here is a list of the 52 virtues:

assertiveness	diligence	integrity	reliability
caring	enthusiasm	joyfulness	respect
cleanliness	excellence	justice	responsibility
commitment	flexibility	kindness	self-discipline
compassion	forgiveness	love	service
confidence	friendliness	loyalty	tact
consideration	generosity	moderation	thankfulness
cooperation	gentleness	modesty	tolerance
courage	helpfulness	orderliness	trust
courtesy	honesty	patience	trustworthiness
creativity	honour	peacefulness	truthfulness
detachment	humility	perseverance	understanding
determination	idealism	purposefulness	unity

Parent Communication

We consider ourselves to be an extension of your child's family and hope you feel the same. Besides daily verbal communication with our parents (guardians, grandparents, aunts, uncles), we have a white board outside of the classroom. We would ask that you check it daily. It will have information regarding your child's day and other upcoming events. We also use a private Instagram account. This is a great way for staff to document the learning that we see each day. On Instagram you will find pictures of the children and a description of what is taking place. It is a great way for parents to get a glimpse of the various activities that the children are involved in at Discovery. The Remind App, which sends out text/email, is another tool that we use to keep families informed. We also encourage families to visit Discovery's website regularly for calendar events and centre news (www.discoverycc.com).

Learning Stories

The Learning Stories Assessment approach is a form of observation and documentation that is written in a narrative story format. The teacher watches and listens as children explore through play. Reading learning stories is a wonderful opportunity to get a snapshot of a child's learning and development for families. A copy of your child's learning story will be made available to you.

Nature at Discovery Children's Centre

Our aim is to create an opportunity for children to develop a sense of wonder and appreciation for our natural world and experience the benefits of spending time outdoors. Studies have shown spending meaningful time in nature positively affects children physically, emotionally, socially and cognitively. Our hope is that this connection to nature will develop into a lifelong appreciation of our environment.

Two Weeks Outdoors

The Two Weeks Outdoors is just as it sounds. We spend two weeks outside in the beautiful Manitoba weather. We take our classroom outside for the whole day during these weeks. We eat, nap, and play outside rain or shine. This could happen in the spring, summer or fall. We will give parents notice on the weeks that our room has chosen. We ask that the parents prepare their child for this time outdoors by having their backpack stocked up with our list of items we know they will need.

Scheduling and Billing

Deadline for handing schedules in is **Thursday by 4:30pm** prior to the week you are needing childcare. If you do not hand in your schedule, you will not be guaranteed care for your child. This applies to regular care users only. Casual care users are given access to available spots after the regular users are scheduled. You can drop off your schedule in the flex room or email your schedule to: flexschedules@discoverycc.com. All scheduled days will be charged. For example: if you've booked care on Tuesday & Thursday and need to change to Monday & Friday, you will be billed for all four days, unless changes are submitted by 4:30pm Thursday prior to the week care is required.

In the event that a child is dropped off and the parent does not confirm that child care is available, a 50% surcharge will be incurred even if the child can be accommodated. If ratios do not allow the child to remain in the program, we will contact the parent to pick up the child.

Children Transferring from the Infant Room to Preschool

When a child transfers from the Infant Program to a Preschool Program, they will do 3 visits to help with transition. A morning visit, a midday visit and an end of the day visit. Prior to the visits, a primary caregiver and secondary caregiver will be appointed for the child. These two staff will help the child in transitioning, doing diaper routines with the child and sharing with the family on how the child's day went.

Some Final Reminders

- Please label all of your child's belongings. We have a great number of children who use our program and many of them have similar items
- If your child requires medication while they are at daycare please see: <https://www.discoverycc.com/wp-content/uploads/2015/12/Flex-Parent-Policy.1512.pdf>
- If you are using the centre after 5:30 pm, you will need to use the doorbell located at the front doors on Hampton Street. The evening staff will then buzz you in after identifying who you are, who you are picking up/dropping off and the current centre password. The same applies for parents dropping off their child before 7:00 am.
- What to Bring to the Centre:

To assist your child(ren) in having comfortable days while at Discovery Children's Center, please, ensure they have the following items present at day care:

- 1) Diapers – Parents of children who are not toilet trained are responsible for supplying the Centre with disposable diapers, wet wipes and any other supplies necessary for proper diapering.
- 2) Work Clothing – Parents should be aware that older, less valuable clothing, is suggested for Centre use as the children are involved in many activities that may cause clothing to be soiled or, in some cases, stained. Staff will not be responsible for lost or misplaced articles of clothing. Parents should have all clothing labeled. Also children must have an extra set of clothing (everything – e.g. socks, underwear, shirt, pants, shoes) in their locker. Remember: anything can happen! It is an embarrassment to the children when they require a change of clothing and they do not have any available. There will be no lending of clothing, except within families. When necessary, the Centre staff may bathe a child. Parents should inform the Centre if they do not wish to have their child(ren) bathed.
- 3) Footwear - each child must wear shoes/slippers at all times in the Centre (excluding nap time).

- 4) Outerwear - The children go outside on a daily basis (weather permitting). During the wet months (Spring/Fall), children need to have a pair of boots or extra shoes in their locker, so that they are able to have dry footwear indoors and keep the Centre carpets clean. In the winter, all children should have good, warm, winter clothing (snow pants, mitts, hat, scarf and boots). We discourage flip flops. On fieldtrips children must wear runners or closed shoes.
 - 5) Lunch for your Child – Parents must supply lunch for their child. Lunches are to be placed in the child’s locker. The health inspector suggests an insulated lunch bag/box with a small ice pack next to your child’s food as a good precaution against spoiled food. Lunches, as well as any utensils or containers that are sent along, should be labeled. A minimum of \$4.00 will be charged for each meal the Centre needs to make on occasions that a child’s meal is forgotten at home.
 - a) Discovery Children’s Centre Inc. will not assume responsibility for ill effects of food that are brought in by parents.
 - b) Discovery Children’s Centre Inc. encourages nutritionally balanced meals following the recommended servings from the Canada Food Guide. Children will not be permitted to have potatoe chips, chocolate bars, candies or pop.
 - <https://food-guide.canada.ca/en/>
 - c) Staff will heat up children’s lunches, in glass containers, from September to June. During the summer months children may not bring items that need to be heated up because of the many days that we spend away from the centre on field trips.
- We would appreciate it if you could take responsibility, along with your child, for their personal locker space. Check it daily for soiled clothing or artwork that needs to go home. Periodically, you should also do a locker cleaning with your child, in order to keep the locker tidy and presentable.

Flex Daily Schedule

6:30am-8:30am	Exploration play in Flex room
6:30am-9:15am	Free flow snack time
9:00am -10:30am	Exploration play/large muscle room/Bathroom routine
10:30am-11:30am	Outdoor Play
11:30am-12:15pm	Lunch Time and Bathroom Routine
12:30pm-2:30pm	Nap Time
1:00pm-3:00pm	Non-nappers - exploration play in Flex room and bathroom routine.
3:00pm-3:30pm	Preschool snack
3:30pm-5:00pm	Outdoor play/large muscle room
3:45pm-5:00pm	School age snack time/outdoor play
5:00pm-6:00pm	Free play in the Flex room
5:30pm-6:00pm	Gym time

Flex Evening Schedule

6:00pm-6:30pm	Supper time
6:30pm-7:00pm	Child based play
7:00pm-7:30pm	Large muscle room
7:30pm-7:45pm	Evening snack
7:45pm-8:00pm	Sleeping preparations (pajamas, bathroom)
8:00pm-8:15pm	Story time
8:15pm-12:30am	Bedtime

Discovery's environment is set up to consider the unique needs of each child. We make changes to our daily program so that all children can access areas, materials, and activities in order to promote growth in all areas of his or her development.
